

EMERGENCY RESPONSE TRAINING

Objective

1. Understand the importance of emergency preparedness
2. Have an insight into the importance of the Legislative requirements and standards of emergency preparedness
3. Be able to implement the elements of emergency planning and related functions
4. Able to conduct an evacuation

Target Groups

Managers/Executives, Safety and Health Officers, Safety and Health Committee Members, Supervisors and ERT Members

Methodology

Lectures, workshops through numerous activities, presentations by participants, and involvement of participants.

Workshop Wrap Up

At the end of the day, participants will have an opportunity to ask questions and draw up the emergency response plan and procedures; as well as carry out an evacuation during an emergency.
